Sir,

A doubt having arisen as to whether in the case of proposals for insurance forwarded by an officer other than the proposer's official superior under rule 17 of the Insurance Rules, it is necessary that the confidential report of the proposer's official superior should be sent under the same rule, and the Committee having decided that it is desirable in all cases that the confidential report is sent, I have the honor to submit herewith an amendment to rule 17 as approved of by the Committee and to request you to be so good as to obtain the sanction of Government for the same.
